Dear HSANA Families,

I am writing this letter on behalf of the Harmony P.E. Department. We are asking the parents to help support by joining us with an equipment drive. At this point and time the department only has the bare essentials for classes. We are asking for donations to obtain sports equipment that will be required in order for our program to be successful. All materials on the attachment listed in bold or highlighted are important for instructional purposes in class aligned with lesson plans and TEKS. This will allow students to have the opportunity to receive the maximum experience of enjoying sports, fitness and stay physically active for a lifetime. There are lists of items below that we are looking for but feel free to add any item of your choice. Any of your contributions will be greatly appreciated by the students and their families. Our school website and banner will contain the names of our sponsors and donors and will be displayed throughout the year.

Equipment list:

- Tennis balls
- Frisbees
- Radio
- Basketball goals
- Playground balls
- Tennis racquets
- Volleyball nets
- Soccer balls

- Fitness equipment

Thank you in advance,

Coach Anthony Williams
