The administrative team is excited about this coming school year, and the staff at Harmony Science Academy is caring, competent, dedicated and willing to assist you. We are working very hard to provide the best possible learning climate for students.

We believe that education is a shared responsibility and that the successful operation of a school depends on the cooperation of everyone involved: students, parents, and staff. The mission of the Harmony Science Academy is to create a partnership among the members of this triad. Each of us is responsible for doing his or her part to make our school a place where we can all work and strive together in harmony.

Harmony Science Academy is a reflection of all of us. All of our policies are intended to provide a safe and orderly environment that will be conducive to learning. Our faculty and staff look forward to sharing their expertise in academics, special programs, and extracurricular activities. We encourage you to get to know your school, its programs, activities, and schedule. Become an active participant in our school. Get involved through classes, clubs, and activities.

This handbook is an overview of our school's goals, services, and rules. It is an essential reference book describing what we expect and how we do things. Read it carefully, discuss it with your parents, and let it act as a guide for your effective involvement in all parts of the school. It has been written to provide you and your parents with the information that will make your year purposeful and rewarding in every aspect. Keep this handbook because you will use this information throughout the school year.

On behalf of the entire Harmony Science Academy staff and community, best wishes for a great 2010-2011 school year!

Sincerely,

Dr. Soner Tarim

Superintendent of Schools

1. INTRODUCTION

To achieve our mission, every member of the Harmony Science Academy community must respect the rights of all members of the community to learn. This means creating an environment that is physically, emotionally and intellectually safe, orderly, and conducive

to learning. The information in this handbook provides the guidelines for all of our behaviors and attitudes that will create a positive environment in which each student, parent, and teacher can contribute and learn. Because this is a "Student" Handbook, it is written to/and for you. Each section begins with a general description of the issue involved, and then it addresses you and your actions and attitudes very specifically.

2. COUNSELING SERVICES

Harmony Science Academy has a teacher who is available to see students regarding problems that they may be experiencing at school or home. Usually the class teacher refers the student to this teacher with the approval of the Principal or Assistant Principal.

3. Pledge

Every school day, students will recite the Pledge of Allegiance to the United States Flag and the Pledge of Allegiance to the Texas State Flag. Parents / guardians may submit a written request to administrators for student exemption from reciting the pledges.

4. Prayer and Meditation

Students have the right to individually, silently, and voluntarily pray or meditate in a way that does not disrupt instructional or other school activities. The school will not promote, encourage, or require students to engage in or refrain from such prayer or meditation.

5. UNIFORM AND PERSONAL APPEARANCE

HSA has a uniform to help create a safe and orderly environment, instill discipline, and eliminate competition and distractions caused by varied dress styles. You will be expected to arrive in dress code every day. Please cooperate, display modesty and neatness, and take pride in these clean, neat and attractive uniforms. We rely on your common sense and your parents' and/or guardians' support in helping maintain this dress code. Most of the uniform items can be purchased from the school and/or from the companies suggested by the school.

PLEASE NOTE ...

If you arrive at school out of uniform, your parents will be called. You will be kept out of classes until you are dressed appropriately and all class time you miss will count as an unexcused absence. The staff reserves the right to determine and restrict unbecoming styles. If a student is dressed or groomed inappropriately, parents will be called to bring a change of clothes. Violations of the dress guidelines will result in incremental disciplinary action.

B	80 – 89
C	70 – 79
F	0 – 69

Conduct Grades:

E	Excellent

7. EXAMINATION PROCEDURES

At HSA, formal examinations fulfill an important function in the assessment of each student's academic performance. As external examinations (COGAT, TLCR, TAKS, TAKS Acc., TAKS-M, TAKS Alt, RPTE etc.) are used on a state-wide basis as measures of student performance, students at HSA are exposed to formal examinations not only for the purposes of assessment but also for experience in examination conduct, procedure and technique.

Consequently, the school has in place a "Code of Conduct" pertaining to examinations.

- Students are to remain silent during all examinations unless directed otherwise by the supervising teacher.
- Under no circumstances are students permitted to distract other students during the examination.
- Students must leave school bags at the front or outside of the examination room.
- Students are not permitted to take any paper, including worksheets and scratch paper, into the examination room. Further, students are not permitted to remove any paper, including the question paper, from the examination room.

- Students must bring appropriate equipment for each exam and are not to borrow equipment or anything else during examinations. Students are expected to wear the school uniform to all examinations.
- Students are not to be late for examinations and will NOT be permitted to leave early.
- Latecomers will not be granted extra time to complete the exam.
- Students are responsible for the collection of their work.
- Students who are absent from any examination are required to present themselves to the subject teacher immediately upon their return to school. All exams must be made up within 3 days of absence; however, the student must present a reasonable excuse to be eligible for a make-up exam or project.

In the event of any violation of the above rules during an examination the student will, in the first instance, receive a zero. After the event, a review of the situation will determine if a zero award is to be made or a lesser/harsher penalty imposed.

ANY STUDENT FOUND TO BE CHEATING DURING EXAMINATIONS AND/OR DETERMINED TO HAVE CHEATED WILL RECEIVE A ZERO AND THEIR PARENTS WILL BE NOTIFIED. DISCIPLINARY ACTION MAY BE TAKEN BY EITHER THE SUBJECT TEACHER OR BY A SCHOOL ADMINISTRATOR. SEE THE CHEATING/PLAGIARISM POLICY.

8. HOMEWORK POLICY

Homework is an essential part of your successful educational program at HSA. Doing homework will help you develop many valuable skills such as good study habits, time management, responsibility, and perseverance. Teachers will assign homework that will foster individual learning and growth and that is appropriate for the subject area. Homework is part of all students' regular evaluations. It is your responsibility to complete and turn in homework on time. In case of conflict regarding homework assignments the teacher's record is final. If you or your parents have questions about homework, immediately contact the teacher who assigned it. Teachers' contact information is available at our website.

9. GRADE PROMOTION POLICY

The 5th thru 8th grade promotion from one grade to another in Harmony shall be based on the following criteria:

1. A student who has not maintained a grade average for a school year equivalent to at least 60 on a scale of 100 may not be advanced from one grade level to the next.
2. A student must maintain a yearly average of 70 in English.
3. A student must maintain a yearly average of 70 in Mathematics.
4. A student must maintain a yearly average of 70 in Social Studies
5. A student must maintain a yearly average of 70 in Science.
6. A student must meet the minimum requirements in all TAKS tests.
7. Students who failed any of non-core subjects need to obtain a project/portfolio assignment from school for each subject they failed, complete the assignment successfully, and return it back to school by the assigned day so that they will be promoted to next grade level. Failure to do so will result in repeating the grade.

If a student does not meet one of the above criteria during a year, he/she needs to sit for a test in the area failed. Harmony uses a board-approved state accredited test for grade acceleration. Students who fail the regular year get review sheets for the test at the end of the year and sit for the test during the first week of July. The test is scored by the state accredited institution. The student must have a score of 70 or above to be promoted to the next grade level.

8. A student must attend at least 90% of the classes throughout the year in order to be promoted to the next grade level. More than 18 unexcused absences within one school year (9 in each semester) will result in failing. There will be no make-up exam for unexcused absences.

ADVANCED/ACCELERATED PROGRAM

Students in advanced/accelerated classes should maintain a grade of B on all report cards. Students falling below the grade of B might be placed in an equivalent grade-level program.

HONOR ROLL / DISTINGUISHED HONOR ROLL/EXCELLENT CHARACTER HONOR ROLL

Students who make all As will be in Distinguished Honor Roll.

Students who make at least a B in all classes will be in Recognized Honor Roll.

Students who have zero Discipline Points, with no N or P in conduct, with no discipline referral will be in Excellent Character Honor Roll.

10. CREDIT and ACCELERATION by EXAM

Using guidelines established by the State Board of Education, Harmony Science Academy uses examinations for acceleration and credit. HSA will give a student in grade level six or above credit for a subject on the basis of a board-approved examination for credit in the subject if the student scores 90 or above on the examination. If a student is given credit in a subject on the basis of an examination, the examination score will be entered on the student's transcript.

Students in grades 6 - 8 who have received previous instruction in a subject area may earn credit for the subject by passing an exam (with a score of 70) that assesses the student's knowledge and skills in that subject area. Students in grades 6-8 seeking placement credit in a subject area in which they have not received prior instruction may earn credit by passing these exams with a grade of 90.

CREDIT IN 8TH GRADE

Students can earn high school credit in 8th grade in the following course:

- Algebra 1

11. GIFTED AND TALENTED

GT program overview

"Gifted and talented student" means a student who, by virtue of outstanding mental abilities, is capable of high performance. The student may demonstrate, singly or in combination, above average achievement or potential in such areas as general intellectual ability, or specific subject matter aptitude. The phrase does not include students who demonstrate above-average achievement or potential in areas relating to physical abilities. (Education Code 29.123)

The Texas State Board of Education has adopted numerous incentives that encourage districts to support services that go beyond the minimum and that meet the needs of gifted learners. In order to express its commitment to high level learning opportunities for all students, the Texas State Board of Education adopts the following as its goal for services for gifted learners.

Please see GT Student Handbook for more details.

12. ILLNESS, INJURY, AND MEDICATION POLICIES

HSA will have a school nurse or first-aid-trained-person available to discuss or assist with medical problems or concerns.

Illness or Injury During the School Day

Please follow these three rules if you become ill or are injured during the school day.

- Report to the nurse office. If the nurse is not available, you should report to the Main Office.
- If you do not inform the office and simply miss class, it is an unexcused absence.
- Do not leave the building without permission. Always report to the main office.

Medication Policy

Medication should not be brought to school unless it is essential to the health of the student. If a student must take medicine at school, these procedures must be followed:

- The medication to be administered by designated school personnel must be:
 - sent directly from the pharmacy or physician's office;
 - or brought to school by the student's parent/guardian.
- The school must receive a Medication Administration Directions Form signed by the student's physician and parent/guardian.
- On the medication container, the following information must be clearly printed:
 - Student's Name
 - Name of the medication
 - Dosage
 - Time the medication must be taken.
- Bring in only the amount of medication that is needed for a school day.

- In the case of prolonged need, send in the amount for a clearly specified period such as one week or one month. Extra medication will not be sent home with a student.
- All medication will be kept in a secure location in the nurse office.

Students are not allowed to carry any medication with them to school. Aspirin, Tylenol, and other patent drugs are not available from HSA.

Head Lice Policy

HSA follows the No – Nit Policy. At the time head lice are positively identified the students parent/guardian will be notified to pick student up immediately. The student and parent/guardian will need to check in at the office to have student re-checked. At the time of re-check if there are nits visible the student will not be allowed to remain in school.

13. IMMUNIZATIONS

Parents and guardians must provide records of student immunization. The immunizations required are diphtheria, rubeola (measles), rubella (German measles), mumps, tetanus, pertussis, poliomyelitis (polio), hepatitis A, hepatitis B, varicella (chicken pox), and meningococcal. Proof of immunization may be obtained by a physician or public health clinic with a signature or rubber stamp validation. The school's nurse may provide a list of required immunizations upon request. Further, the health department sometimes changes required immunizations; if this occurs, the school nurse or administrators will notify you.

Students must be fully immunized or present a certificate or statement citing medical reasons or reasons of conscience, including religious belief. If a student is not immunized because of medical reasons, parents or guardians must present a signed certificate by a U.S. licensed physician stating that, in the doctor's opinion, immunization poses a significant risk to the health or well being of the student or a member of the student's household. These certificates must be renewed annually unless the physician cites a lifelong condition. Parents and guardians must present evidence for exclusion from compliance as specified in the Health and Safety Code, the Education Code, and the Human Resources Code at the time of enrollment. For further information, see the Department of State Health Services website at <http://www.dshs.state.tx.us/immunize/school/default.shtm>.

For immunization exemptions due to reason of conscience, including religious belief, official forms, not copies, issued by the Department of State Health Services, Immunization Branch, are required. The form may be obtained by writing to the DSHS Immunization Branch (MC 1946), P.O. Box 149347, Austin, Texas 78714-9347 or online at <http://webds.dshs.state.tx.us/immco/affidavit.shtm>. The form must be notarized and submitted to the school nurse or administrators within 90 days of notarization. If the parent or guardian seeks an exemption for more than one student, a separate form must be provided for each student.

14. FITNESS TESTING

Students grades 6-8 will take a yearly fitness exam. Parents may request in writing at the end of the year to obtain the results of his or her child's physical fitness assessment.

Harmony Public Schools will annually assess 6th-8th grade students' physical fitness by order of the Commissioner of Education's rules, included in 19 TAC, Chapter 103, Subchapter AA. In accordance with the §103.1001 and the Texas Education Agency, all districts are mandated to use the FitnessGram[®] to conduct the fitness testing. For additional information about the use of FitnessGram[®], please see www.fitnessgram.net. For additional information on Harmony Public Schools' policy regarding physical education curriculum, please see the campus administrator.

15. LIBRARY

The library is a resource center used by all HSA students for class assignments and for leisure-time reading of appropriate books or magazines. The resources of the library are available to support and enhance students' learning and understanding and to encourage students to become independent, life-long learners. Students may use the library before and after school and during a study hall. Books, magazines, and reserve materials may be checked out for varying times. Because the library serves many students, everyone will have to cooperate to maintain a good atmosphere for learning. Desks and carrels are available for studying. You may do group work for a class if you work quietly. Please do not move any furniture. In keeping with school policy, do not bring food or drink into the library. Finally, the total number of students using the library at any one time will be limited.

16. LOCKERS

Each student will be assigned a locker for his/her individual use at HSA. This locker is for storing books, coats, and personal items necessary for school. The lockers should not be used to store valuable items. HSA will not be liable for personal items left in the lockers or brought to school with you. To keep your school items safe, we strongly advise you to keep your locker and its combination private. **Do not trade lockers with another student. Do not let another student share your locker.** It is your responsibility to see that

your locker is kept locked and in order at all times. You should report any damage, vandalism or non/working condition of your locker to the front office. If you do not report vandalism, damage or non-working condition of your locker, you will be held responsible for it. Please remember that your locker is school property and remains at all times under the control of the school; however, you have full responsibility for the security of your locker and what is in it. Lockers are expected to be kept neat at all times. School officials will make periodic locker inspections. No item considered dangerous by the administration may be kept in the lockers and will be removed if found there. This includes glass or any other object that may be potentially dangerous. Texas State law permits inspection of student lockers, at the discretion of local school officials. Students attending HSA should not expect privacy of the contents of their lockers, desks, or other school property.

In a regular school day, students can go to their lockers on the following designated times only.

- a. Before classes begin in the morning
- b. During the five minute passing periods.
- c. After classes are over

You may not go to your lockers during the lunch time.

You will not need to purchase a combination lock for your locker. The school will provide locks, for which you will make a payment of \$10 one-time non refundable fee.

Student may not put their personal lock on their lockers.

A locker is an essential part of a student's life at Harmony Science. Use of lockers is strongly encouraged since no backpacks will be allowed in any of the classrooms.

17. LOST AND FOUND

If you find books, clothing or personal items on the school grounds, please bring these items to the office. If you lose something, check the Lost and Found. These items will be kept in Lost and Found Box for up to seven (7) days after they have been found. The corridors are inspected each evening and unsecured student property is placed in the Lost Property shelves located in the office. Students should ensure that all their books, uniform and other property are clearly labeled with their name to ensure a prompt return of such items if they become misplaced.

School may charge a student \$1 fee for each item which is kept in the lost and found box before being returned to the student.

18. LUNCH PERIODS

All students will remain at school during the lunch period. You may buy your lunch at school, or you may bring a packed lunch. If you have a special situation, you will need to meet with the principal. During the lunch period, you will be expected to display good manners and courtesy. You must eat your lunch only in the lunch area. You will be expected to clear your place and dispose of all trash appropriately. Teachers on duty during the lunch period will hold you responsible for your behavior. Students who do not maintain a certain level of respect for others and for their environment will be held accountable for their actions.

Cafeteria Conduct

- i. Dispose of plates and utensils in garbage bins.
- ii. Keep tables, seats, and floors clean.
- iii. Talk in a normal voice (classroom voice). Do not shout.
- iv. Keep cafeteria lines orderly: no pushing, running, horse playing or cutting in lines.
- v. No loitering in the cafeteria and hallways during lunch. Be seated unless otherwise instructed.
- vi. Keep hands, feet, personal belongings and food to yourself.
- vii. No backpacks or books are allowed in the lunch area.
- viii. Students who mutilate or deface school property will be fined an amount necessary to cover the cost of restoring the damaged property, as well as receive appropriate disciplinary action.
- ix. Appropriate language is to be used at all times.
- x. Ordering food from outside without an approval from the administration is not allowed.

19. PUBLIC AREAS: HALLWAYS, STAIRWAYS, CAFETERIA, AND RESTROOMS

Hallways, stairways, cafeteria, and lavatories are areas used by all members of HSA. Because everyone uses these areas, there are rules of conduct that all students must follow.

- You may not loiter in the halls, lunchroom or lavatories.
- You may not eat in halls or lavatories.

- You may not run in the halls, lunchroom or lavatories.
- You may not use any profane or vulgar language while in these areas.
- You may not yell, scream, hit lockers or otherwise make excessive noise while in these areas.
- You may not draw graffiti, post fliers or write on walls, bulletin boards, doors, desks, books, or any other school property .
- You must do your part to keep these areas clean and safe.
- Do not leave belongings on the floor outside of or on top of your locker.
- Make sure you clean up after yourself and appropriately dispose of all trash.
- Report any leaks, spills, or other problems in the lavatory to a teacher or the office immediately.
- Do not roughhouse, push, or wrestle.
- Do not trip other students.

Students are not permitted in the halls during class periods and lunch hour unless they are accompanied by a teacher or have a hall pass from an authorized staff member. Students who are found in the halls without passes will be subject to disciplinary action.

20. RESTRICTED AREAS

After arrival at school, students may not leave the building for ANY reason without written permission of the Assistant Principal or being accompanied by a teacher.

- Students may not use a classroom without the permission of a teacher.
- Students may not use or remove any item from a teacher's desk.
- The laboratories are out of bounds unless a teacher is present.
- The playground of the school is off limits except when permission given.
- Construction areas are out of bounds.
- Any other areas that are determined by the Principal or Assistant Principals
- All the areas mentioned above are out of bounds for students who are part of any after-school activities.
- Student may not use pay-phone during the day without permission of the principal or assistant principals.

Teachers on special duty at school have the authority and discretion to correct any student and submit referrals to the office.

21. SCHOOL ACTIVITIES

HSA will offer a range of activities that will enrich student learning during the school day and after school. Because the safety of students is very important to us, specific rules will apply to these activities.

Field Trips

Field Trips offer exciting ways to learn. HSA students will have the opportunity to go on field trips at various times throughout the school year. For all field trips, you will be expected to follow these rules:

- xi. You must bring a Field Trip Permission Slip signed by your parents or guardian to school by the specified date. No phone calls will be accepted as permission.
- xii. You must wear your school uniform unless otherwise specified.
- xiii. You must abide by HSA codes of student conduct while on the field trip.
- xiv. Students who have P or N conduct in their report card will not participate in field trips.
- xv. You may not qualify for field trips due to standards or requirements set by either the field trip leader or by an administrator.
- xvi. Students will be responsible to make up the work for any classes they miss.
- xvii. No money will be refunded if a student does not participate in the planned trip without a confirmed excuse.
- xviii. Students are allowed a five minute window from designated departure time for any field trip.
- xix. Field trip leader or HSA is not responsible for the students who are left at the school after the designated pick up time.

After-School Activities

There is no better way for students to enrich their education than by taking part in clubs and after-school activities or working with a teacher. These opportunities will allow you to explore things you already enjoy more deeply and to try other areas that sound interesting. If you stay for an after-school activity, you will be expected to follow these rules:

- You must be with a teacher or other staff member at all times.
- You must arrange for your own transportation; your pick-up or ride home should arrive promptly at the end of the activity.
- You must abide by the HSA code of student conduct while participating in the activity.
- You may not stay after school to wait for another student.

A full list and description of after school clubs and activities will be posted after school starts and students will have an opportunity to explore each one that looks interesting.

Science Fair

Harmony Science Academy organizes a school-wide science fair every year. Due to our high expectations from our students in science, math and technology, each student is required to complete a research project in one of these areas (individual or group). Failure to do so will result in failing the science class. A student wins a trophy or medal in the science fair, or in any other competition/contest in which he/she represents the school, and then the school owns the trophy or medal and displays it.

Science fair handbook is going to be provided to the students by HSA school science fair committee. Every student is required to follow the guidelines cited in the Science Fair Handbook.

22. STUDENT ID CARDS

Student ID cards may be issued to each student with a reasonable fee. This card allows students to attend school-sponsored functions and the student may be asked to show and use the ID card in order to get breakfast and lunch. If you lose your ID card, go to the main office before or after school to purchase a new one. Students shall return their Student ID cards in case they withdraw from the school.

23. TEXTBOOK AND SUPPLIES

HSA will hold each student's parent/guardian responsible for the condition of the textbook issued at the beginning of the year. \$50 book deposit (refundable) will be collected for each student. Each student should take care to see that these books are not lost, stolen, damaged, or defaced. Students will have to pay to replace any books that are damaged or not returned. Students must return all textbooks and workbooks at the end of the year. Should a student withdraw or be expelled, all textbooks must be returned to HSA immediately. If so, the deposit will be refunded.

When textbooks are checked out, the textbook will be registered and the condition of the book will be noted. When you return the book, its condition will be checked. If you lose the book or damage it by writing in it or ripping it so that another student cannot use it, you will have to pay the current price value of the book.

Many of the classes will use consumable supplies – from materials to workbooks. Students will be required to pay for these consumable materials. If there is a special circumstance, families should meet with the administration.

Final report cards, transcripts and/or withdraw form will not be issued until all textbooks are returned in good condition.

24. VISITORS

Visitors for educational reasons are welcome at HSA. Visitors must sign in with the office when they arrive. Visitors must present a valid ID to the front office personnel. No visitor is allowed to walk in the school without a visitor pass. Parents must also check in at the front office. Students' visitors are not permitted on site. Do not bring guests to school without prior arrangements. No visitors will be allowed during the last two weeks of each semester or/and during the week prior to any school holiday.

Parents or other adults may not walk in the cafeteria, hallways or to the classroom, unless a form has earlier (at least 24 hours) been completed to give notification to the school and the teacher. The same form must be completed when a parent requests to observe a class.

25. DISTRIBUTION OF PUBLISHED MATERIALS

Students, parents, guardians, and other individuals and groups must receive permission from administrators to post or distribute print materials or other media.

26. BULLETIN BOARDS

Students must obtain permission from classroom teachers to post materials on classroom bulletin boards and from administrators to post on hallway bulletin boards. Students should not use tape or tacks on glass or surfaces that may be damaged,

27. ATTENDANCE

Regular school attendance is essential for the student to make the most of his or her education—to benefit from teacher-led activities, to build each day's learning on the previous days, and to grow as an individual. It is also the law in Texas:

Students who are enrolled in pre-kindergarten, kindergarten, at least six years of age on or before September 1st, or have been enrolled in a public school first grade program, and have not yet reached their 18th birthday are required to attend school each day during the instructional year unless otherwise legally exempted or excused. A student who voluntarily enrolls in school or voluntarily attends school after the student's eighteenth birthday shall attend school each school day for the period the program of instruction is offered. School employees must investigate and report violations of the state compulsory attendance law. Students absent without permission from school or from any class will be considered truant and subject to disciplinary action. To receive credit in a class, a student must attend at least 90 percent of the days the class is offered. The actual number of days a student must attend in order to receive credit will vary, depending on whether the class is for a full semester or for a full year. A student who attends fewer than 90 percent of the days the class is offered cannot receive credit for the class, unless the attendance review committee finds that the absences are the result of extenuating circumstances, such as:

- An extracurricular activity or public performance that has been approved by the District's Board of Trustees
- Required screening, diagnosis, and treatment for Medicaid-eligible students.
- A documented health care appointment—if the student begins classes or returns to school on the same day as the appointment.
- A temporary absence resulting from any cause acceptable to the teacher, principal, or Superintendent, including personal illness; or illness or death in the immediate family.
- A juvenile court proceeding documented by a probation officer.
- An absence required by state or local welfare authorities.
- Family emergency or unforeseen or unavoidable instance requiring immediate attention.
- Approved college visitation.

If the committee determines that there have been extenuating circumstances, it will decide how the credit may be regained. If the committee determines, however, that there are no extenuating circumstances, the student or parent may appeal the decision to the District's Board of Trustees by filing a written request with the Superintendent.

Please note:

- HSA shall excuse students from attending school for the purpose of observing religious holy days when it is a tenet of their faith that they must be absent from school during such time and if, after the absence, the parent, guardian, or person having custody or control of the student submits written notification for the excused absence. The District shall excuse the student for days on which the student must travel to and from the site where the holy days will be observed. Excused days for travel shall be limited to not more than one day for travel to and one day for travel from the site. A student whose absence is excused for religious holy days shall not be penalized for the absence and shall be counted as having attended for purposes of calculating attendance. Students excused under this provision shall be allowed a reasonable time to make up schoolwork missed on those days.
- In those rare circumstances when a student must be absent from school, the student—upon returning to school—must bring a note, signed by the parent, that describes the reason for the absence; a note signed by the student, even with the parent's permission, will not be accepted. **Notes must be received within three days of the absence, or the absence will be unexcused.**
- A student absent for any reason should promptly make up specific assignments missed and/or complete additional in-depth study assigned by the teacher. A student who does not make up assigned work within the time allotted by the teacher will receive a grade of zero for the assignment.
- All anticipated absences must be cleared by the principal at least one full day before the absence. All assignments missed will be due on the day the student returns to school unless otherwise arranged with teachers or principal. Assignments associated with an anticipated absence will be provided before or after the absence at the discretion of the school. Any absence not cleared in advance will be unexcused.

Because excessive absences are considered truancy under state law, the school has the right to take extreme absence cases to court.

Absence and Tardiness

HSA recognizes two kinds of absences and tardiness: excused and unexcused. Please read through the definitions of each carefully so that you understand what your and your parents' or guardians' responsibilities are. Also, you need to be acutely aware of your responsibilities regarding homework, quizzes, and tests when you have an excused absence and the consequences for unexcused absences.

Students must provide a note from a parent or guardian or a doctor for an excused absence to be admitted to school.

Excused Absences

HSA accepts only the following as excusable reasons for absence from school. Under the compulsory education law, parents or guardians must notify the school any morning their child is not attending. The excuse shall be submitted to the attendance office and filed as part of the student's school record. An excuse for absence from school may be approved for one (1) or more of the following reasons or conditions:

Unexpected Absences

Personal Illness

- Your parent or guardian must call the school each morning you are ill.
- When you return to school, you must bring an explanatory note from your parent or guardian.
- The school may require a doctor's confirmation.

Illness in the Family

- Your parent or guardian must call the office to explain the situation and estimated time of absence.
- When you return to school, you must bring an explanatory note from your parent or guardian.

Quarantine of the Home

- Your parent or guardian must call the office to explain the situation and estimated time of absence.
- When you return to school, you must bring an explanatory note from your parent or guardian.
- Such an absence is limited to the length of the quarantine as fixed by the proper health officials.

Death of a Relative

- Your parent or guardian must call the office to explain the situation and estimated time of absence.
- When you return to school, you must bring an explanatory note from your parent or guardian.
- The school may require a supportive document.

Anticipated or Planned Absences

Observance of Religious Holidays

- Any student shall be excused for the purpose of observing a religious holiday consistent with his/her creed or belief (Documentation from the family's place of worship may be required).
- Professional Appointments
- We encourage parents to schedule medical, dental, legal, and other necessary appointments outside school hours whenever possible. If this is not possible, you must bring a note to the office the day of the absence stating clearly the time you are to be dismissed. In addition, the following rules shall apply to this kind of dismissal during the school day:
 - Parent or guardian must sign the student out of school;
 - The student must return to school when the appointment is finished if classes are still in session.

Unexcused Absences

An unexcused absence does become part of a student's school record. You will be marked for an unexcused absence if you

- fail to bring a written note within three school days following an absence;
- leave school without the permission of the assistant principal;
- are absent from class without permission - including walking out of class;
- are absent from school without parental permission;
- get a pass to go to a certain place but do not report there, and/or;
- are absent for reasons not acceptable to the administration.

A. Make-up Work for Excused Absences

- An absence from school, even for several days, does not excuse you from responsibilities in the classroom on the day you return. If you have an excused absence, you will be given the same number of days that you were absent to make up missed work.
- To be eligible for make-up work, you must show each teacher the "excused absence slip." On the day you return to school, it is your responsibility to find out what work is required and when the work needs to be completed, and record the due dates.
- If you are absent for school-related reasons or for an anticipated or planned absence, make arrangements with your teacher(s) for assignments prior to your absence. For students with excused absences, make-up tests will be scheduled at a time designated by the teacher. It is the student's responsibility to take the test at that time. If you fail to do this, the teacher is not obligated to re-schedule the make-up. If you fail to make up a test without making other arrangements, the teacher may decide not to give you the test.

B. Make-up Work for Unexcused Absences

If you have an unexcused absence, your grade(s) in a class or classes will be affected in one of these ways.

- You may not make up work following an unexcused absence.
- Unexcused absence may result in an "F" or "zero" for the day in each class missed.
- Teachers are not obligated to allow you to make up quizzes or tests.

Note: A school has right and duty to pursue a sanction against a student's parent for excessive absences. Sections 25.901(a) and (b) of the Education Code, authorize an attendance officer to refer a student to juvenile court or file a complaint in justice or municipal court for "unexcused absence." Section 25.095(b) requires the school to notify a parent if a student has a certain number of absences "without excuse." Also, Section 25.0951 provides that a school district shall file a complaint in justice or municipal court or refer a student to juvenile court if the student "fails to attend school without excuse" (emphasis added) for either 10 or more days or parts of days within a six-month period or 3 or more days or parts of days within a four-week period. An absence currently may be excused under Section 25.087(a) for "any cause acceptable to the teacher, principal, or superintendent of the school."

C. Truancy

Truancy means that a student is inexcusably absent from his or her assigned location. HSA shall consider any student truant if he/she is inexcusably absent from his/her assigned location.

Truancy shows a deliberate disregard for the educational program and is considered a serious matter that will have immediate consequences. If you are truant,

- No credit will be given for work you missed as result of truancy;
- A record of the truancy will be entered into your record file;
- A conference with your parents will be held.

D. Habitual Truancy

HSA shall consider a student a "habitual truant" by State law and expel him/her when, in spite of warnings and/or his/her parents' efforts to ensure attendance, he/she has accumulated five (5) consecutive days or nine (9) total days of unexcused absence during a school year.

E. Tardiness (to school and/or between classes)

The HSA Tardy Policy has been developed to emphasize the importance of each student being in the classroom for the entire period, as well as arriving on time to school every day. Learning the responsibility of getting to class on time is an integral part of HSA's standard of excellence, which prepares students for success.

In our school, instructional time is viewed as a precious resource. Consequently we view chronic tardiness as a serious problem. Note that after each incident you will receive this notice; but if the problem continues additional consequences will be imposed.

Thank you for your support in ensuring students make maximum use of class time and learn to be punctual. School begins at 8:00 a.m. Beginning the day promptly is important and demonstrates commitment to success.

Students should be inside the school by **8:00 AM**. Afterwards, they must use front entrance and report to designated room to get a tardy slip from designated staff member. If students come after **8:00 a.m.** they need to get a tardy slip from front office. Tardiness to school will be unexcused even though the parent brings the student to school. Oversleeping, car/traffic problems, etc. are all unexcused. Tardiness is excusable by a school official under the following circumstances:

1. Court appointment
2. Illness of the student
3. Student has a doctor/dentist appointment

A note or phone call from a parent or a professional note from a doctor/dentist will be required to verify the above. Tardiness to class is excusable only if a student has a written note from the nurse, a teacher, or an administrator.

Problems with tardiness to school may require adjustments in the family's morning schedule.

The consequences for repeated tardiness to school within a semester are as follows.

The number of tardiness	Consequences
5 th tardy	A letter sent to parent. After School Detention.
10 th tardy	A letter sent to parent. In School Suspension.
15 th tardy	A letter sent to parent. 1 day out of School Suspension.
20 th tardy	A letter sent to parent. Up to 3 days out of school suspension.

The Assistant Principal has the right to substitute an alternative disciplinary intervention for repeated offenders.

G. Dismissal Policy:

Students should be picked up no later than 15 minutes after dismissal. Please do not wait in the lobby as the students will not be permitted to leave through the front door.

Students who are enrolled in after school programs can stay until 4:25PM or 5:00PM for a fee.

Students should not be in the corridors, at their lockers, or in the school building after 10 minutes of the dismissal unless accompanied by a staff member. There is a waiting area at the west side of the building for the students who are waiting for their parents. Students should follow all the school rules in the waiting area.

After 3:15 pm, the students who are not picked up will be taken to the after school care and charged \$5 per hour (even if the student is picked before one full hour). There will be a \$5 charge for every 5 minutes if a student is not picked up after 5:00 pm and such incidences will be reported to the Child Protective Services (CPS).

Dismissal Information Form: Parents must fill out a form provided by the After School Coordinator about dismissal information of their children. HSA is not responsible for students who leave the campus without a written permission from an administrator. Students are not allowed to loiter in front of neighboring businesses. Disciplinary action will be taken for those who leave and come back to campus without having a written permission from an administrator.

Important: Harmony Science Academy has a right to call Child Protective Services, Police Department, or related authorities for the students who are on the campus after 5:00 PM. Students will not be able to stay on the campus after 5:00 PM. For more information, please contact the After School Coordinator.

H. Early Dismissal of Students from School

Because HSA is very concerned about your safety and well being, early dismissal from school is an important issue. In all instances of early dismissal, the following precautions will be taken to insure student's safety.

- The principal may release you before the end of a school day only upon presentation of a written or face-to-face (no telephone call) request from your parent or guardian or for emergency reasons.
- You may be released only to a parent or guardian whose signature is on file in the school office or to a properly identified person, authorized in writing by the parent or guardian to act on his/her behalf.
- You may be released "on his/her own" only with verified parental permission.
- No staff member shall permit or cause you to leave school prior to the regular hour of dismissal except with the knowledge and approval of the principal and with the knowledge and approval of your parents or guardian.
- You may not be released from school to any government agency without proper warrant or written parental permission except in the event of an emergency as determined by the principal.

Please be reminded that regardless of whether it is a regular or an early-dismissal day, the school building may be locked at 4:45 PM.

I. Unexpected Closing of School

In case it would be necessary after students have gone home to close school the next day because of weather or some other emergency situations, the closing will be posted on the school website or local radio or TV stations will be notified.

After School Program

Please review After School Program policy.

Dismissal Times:

STUDENT DISMISSAL TIMES

Students who choose magnet language will be dismissed at 3:35PM.

The registration deadline is the last Wednesday of each month. Your child will **not** be registered until the **payment** is made. Any student who has received disciplinary actions or suspension may not be able to attend the after-school program. Monthly payments are due no later than the 5th of each month that After School Programs are provided.

28. STUDENT CONDUCT AND DISCIPLINE

HSA has as its goal helping every student fulfill his or her intellectual, social, physical, and emotional potential. Everything in and about the school has been designed to create an orderly and distraction-free environment in which all students can learn effectively and pleasantly. To foster this kind of learning environment, the HSA administrators and teachers shall not allow the following types of behavior during school, on school property, or at or during any school-sponsored activity.

The school has disciplinary authority over a student:

- During the regular school day, when the student is within 300 feet of the school's real property boundary line, and while the student is going to and from school on school transportation.
- During lunch periods in which a student is allowed to leave campus.
- While the student is in attendance at any school-related activity, including summer school, regardless of time or location.
- For any school-related misconduct, regardless of time or location.
- When criminal mischief is committed on or off school property or at a school-related event.
- When retaliation against a school employee or volunteer occurs or is threatened, regardless of time or location.
- When the student commits a felony offense in the community, as provided by Texas Education Code 37.006 or 37.0081.
- Pursuant to any code of conduct adopted at the campus level relating to participation in a student club, organization, or extracurricular activity.
- For any mandatory expulsion offense committed while on school property or while attending a school sponsored or school-related activity of another district in Texas.

Note: In addition to disciplinary consequences, misdemeanor and felony offenses committed on campus will be reported to and handled by the appropriate law enforcement agency.

Classroom rules in every classroom:

1. Be in your assigned seat, ready to work before the tardy bell rings.
2. Bring pencils, pens, paper, books, and all assigned materials to class.
3. Keep your hands, feet, books and objects to yourself.
4. Do not engage in behavior that keeps the classroom from functioning.
5. Follow directions the first time they are given.
6. No gum, food, or drink allowed in the building except in designated food service areas.
7. Raise your hand before talking. If you are given permission, stand up and talk. (excluding normal class discussions)
8. Every student must have a hall pass with him/her at all times. No exceptions.
9. No students may leave the class without a hall pass.

Substitute teachers, part-time teachers, mentors, and tutors have the same authority and rights as the regular classroom teachers. Homerooms periods and after school class periods are also regarded as class periods in terms of validity and effectiveness of classroom rules.

One or a combination of following consequences for violating daily classroom rules may be implemented:

- Discipline points as part of the DPS
- Written warning
- Teacher's option
- Parent contacted
- Sent to the office or Dean of Discipline

Discipline - Positive Reinforcement

The teacher will reinforce positive behavior through any of these ways.

1. Oral praise
2. Note to parents
3. Phone call to parents
4. Parties
5. Trips, picnics
6. Personal notes to student
7. Notes accompanying report cards
8. Notes on papers, tests, etc.

Discipline: School-Wide Rules

Each student is expected to

- Demonstrate courtesy and respect, even when/if others do not.
- Behave in a responsible manner, always exercising self-discipline/control.
- Attend all classes, regularly and on time.
- Be prepared for each class; take appropriate materials and assignments to class.
- Meet district as well as campus standards for grooming and dress.
- Obey all campus and classroom rules.
- Respect the rights and privileges of all students, teachers, and other district staff as well as volunteers.
- Respect the property of others, including district property and facilities.
- Cooperate with and assist school personnel, including volunteers, in maintaining safety, order, and discipline.
- Adhere to all requirements of the currently adopted Student Code of Conduct.

Discipline: Severe Clauses-Immediate Office Referral

Immediate office referral can be warranted when the student does any of the following:

- Commits or threatens to commit physical harm to another student or adult.
- Possesses or uses tobacco and/or drugs on or near the school campus.
- Possesses a weapon or any object deemed as a weapon.

- Damages or destroys property belonging to a student, the school or to a teacher.
- Swears, makes rude gestures, cruel teasing or put-downs

If at any time a student's disciplinary record includes five (5) documented disciplinary actions within a school year or if serious or unacceptable behavior occurs, the student may be removed from school.

Serious misbehavior or actions occurring outside of a particular classroom are handled at the discretion of the administration. Lack of participation of student and/or parent(s) in the process does not preclude action taken by the HSA administration.

29. UNACCEPTABLE TYPES OF STUDENT BEHAVIOR AND CONSEQUENCES

As a student at Harmony Science Academy, you shall not

1. Fight and Arrange Fights:

School is not a place to arrange fights, whether those fights take place on or off school grounds. Fighting is an instance of physical contact in anger, regardless of whether fists or weapons are used. In all but the rarest of occasions in which one student simply assaults an innocent bystander, any fight will involve disciplining all students involved in the fight. Students who involve themselves in fighting will be sent home for the remainder of the day and will be noted as absent.

Consequences:

1st Offense: Parents/guardian contacted. Up to Three (3) day suspension. Possible expulsion.

2nd Offense: Parents/guardian contacted. Possible expulsion

2. Bring Cellular Telephones or Other Electronic Devices:

Radios, Tape or CD Players, IPODs, Electronic Games, and/or similar devices are not allowed at school. They disrupt classes and distract others from learning. Students may bring a camera to school with a one-day advance approval notice from the Assistant Principal.

The possession of cellular phones on school property is allowed under the following condition.

All cellular phones must be out of sight and turned off between 7:30 am and the dismissal time. Harmony Science Academy is not responsible for any lost or damaged devices. During school hours, parents should continue to call the school for any emergency situation. We will contact your son/daughter. Do not try to contact them by cell phone or pager. The use of camera phones is strictly forbidden on the school premises at any time. Such use may also be in violation of the criminal code.

Consequences:

1st Offense: Parents/guardian contacted. Confiscation of the devices with retrieval only by parents/guardian along with a \$10 fee. HSA is not responsible for the confiscated items which are not received one week after confiscation.

2nd Offense: Parents/guardian contacted. Up to Two (2) day suspension. Device will be confiscated and device will be given to parent on or after last day of school along with a \$10 fee. HSA is not responsible for the confiscated items which are not received one week after the last day of school.

3rd Offense: Parents/guardian contacted. Up to Three (3) day suspension. Possible expulsion.

3. Cheating and/or Plagiarism:

Cheating on tests, plagiarism, and/or any other types of deception to get credit is unacceptable conduct. There must be clear, objective, evidence of cheating for this policy to be used. Examples are cheat sheets, answers on hand, copied tests, copying from another student's test, giving away the answers, passing notes or answers during quizzes or tests, copying homework or class assignments and plagiarism (to take ideas, writing, answers, etc. from another and pass them off as one's own.)

Each teacher sets his/her own standards of behavior for the classroom, and students are expected to know the standards and procedures for each of their classes and the expectations their teachers have. The administration has reviewed and accepted and will support individual teacher standards and procedures for cheating and plagiarism.

Consequences:

1st Offense: Parent/guardian contacted. Student will receive zero for the assignment. Administrative discretion. One day out of school suspension.

2nd Offense: Parent/guardian contacted. Student will receive zero for the assignment. Administrative discretion. Possible expulsion from the school.

4. Abuse and/or Misuse of Computers and Laboratory Equipments:

Computer hardware and software, and lab equipments are for the benefit of all students. No student may purposefully tamper with the hardware, software, or tools and equipment so that it is inaccessible to other students. Computers and lab equipment are in the school for educational purposes only. Abuse and or misuse of computers includes

- Loading private software, accessing inappropriate web sites or web pages using school equipment.

Violations also may be referred to the appropriate legal authorities and/or other legal action may be pursued.

33. DUE PROCESS

All students at HSA are entitled to the rights guaranteed by the United States Constitution and Bill of Rights, and their rights will not knowingly be denied by the required code of conduct or by any disciplinary actions taken by the school. Any student who exhibits any of the "Unacceptable Types of Student Behaviors" listed in this handbook or added to this list at a later date will suffer immediate consequences. These consequences range from notification of parents, detention, and emergency removal from a school activity to suspension, expulsion, and criminal prosecution.

All students at HSA have the right to feel that they are physically, emotionally, and intellectually safe.

Therefore, if at any time you feel you are the subject of harassment, hazing, threats, or other intimidating behavior, you should immediately speak to an administrator about the problem. The situation will be investigated as soon as possible; Similarly, if you

are concerned about the safety of another student who seems to be the subject of harassment, hazing, or threats, you should immediately speak to an administrator about the problem. The situation will be investigated as soon as possible.

34. CONCERNS AND COMPLAINTS

Most concerns /complaints can be resolved with a phone call or e-mail to the teacher and / or principal. Teachers and administrators welcome the opportunity to set up conferences to discuss concerns / complaints. Appointments should be made in advance to ensure the convenience of all parties.

In order to most effectively address concerns / complaints, parents and guardians should follow these steps in order. If the issue is not satisfactorily resolved, parents and guardians may move on to the next step.

- 1) Contact the appropriate classroom teacher.
- 2) Contact the appropriate assistant principal (this becomes step one for school-wide concerns).
- 3) Contact the building principal.
- 4) Contact the cluster superintendent.

35. WITHDRAWAL FROM SCHOOL

When a student must withdraw from HSA during the school term, he/she will report to the office on the morning of the day he/she leaves. There, the student will receive a withdrawal form that will be taken to each of these teachers for "clearance" showing that the following responsibilities have been fulfilled:

1. Has returned all textbooks and checked out materials
2. Has checked in all assigned equipment;
3. No make-up work due;
4. Fees are paid;
5. Release of student records signed by parent.

The withdrawal form will then be returned to the office for official release. Students going to another school will take with them a copy of the completed withdrawal form that gives grades earned to date in current period.

A PARENT SIGNATURE MUST BE ON ALL WITHDRAWAL FORMS.

36. COMMUNICATION

The administration and staff will use all means (mail, e-mail, phone, etc.) to communicate with the parents. In the event of a change of address, telephone number, or e-mail address, please notify the school office immediately. The school may not be held responsible for lack of communication unless parent contact information is updated regularly.

Communication is the key word for success in education. You have many ways to contact our teachers. Possible ways are listed;

- 1- You may directly call the teacher's extension during school hours (8:00 am. thru 4:30 pm.). Call 512-251-5000 and dial teacher extension number you want to reach. If a teacher is having a class, please leave a voice message. Teacher phone extensions are available at the front office.
- 2- You may send an e-mail to teachers. E-mail addresses are available at the front office.
- 3- You can use our website to see your child academic progress and conduct. Here is what to do: Log on to www.hsana.org, and click grades.
- 4- Observe the Harmony Science Academy sign in front of the school.
- 5- Check Wednesday mail envelope each week, and make sure that you signed the paper and make him/her turn into homeroom teacher on Thursday.
- 6- Check "Letters and Messages to Parents" board in front office.

Please note that it is also Parent's or Guardian's responsibility to monitor student's progress and conduct.

37. CHANGE OF HOME ADDRESS, TELEPHONE NUMBER, OR ELECTRONIC MAIL ADDRESS

Parents and guardians have three days to inform administrators of changes to student, parent, and guardian home address, telephone number, and e-mail address. Failure on the part of parents/guardians to notify the school of a change of address and/or telephone number will prevent the school from communicating with parents/guardians. Using or giving a false address is against Texas law and can result in legal action against an adult and/or disciplinary action against a student.

38. GOING TO and FROM SCHOOL

On the way to and from school, students should respect the rights, privacy, and property of the community, neighbors, stores etc. and refrain from loitering, trespassing, littering, or creating noise. If needed, the school may take disciplinary action for reports of complaints from the community.

39. ACTIVITIES

Please see the attendance section above for information on after school care and the clubs.

Fundraising

No person may solicit contributions or collect funds for any purpose from students or school personnel on school property, at school-sponsored events, or on school transportation unless he has the written permission of the school principal or the superintendent of schools.

Sales

Advertising may be permitted if it is for approved school-related activities. Such activities may include school newspapers, yearbooks, and other fund-raising projects. Advertising material that promotes the use of alcohol and tobacco is strictly prohibited. No person may display, offer to sell, or sell any item or service to students or school district personnel on school property, at school-sponsored events, or on school transportation unless he/she has the written permission of the school principal.

Demonstrations or Meetings on School Premises (Non-school-sponsored)

Any student who wishes to promote, organize or participate in a demonstration or meeting on school premises other than those sponsored by the school must obtain prior approval from the principal at least three (3) days prior to the requested activity. The three (3) day period does not include the day of the request or the day of the activity. Before approving the request, the principal will determine if the activity will be orderly and peaceful and will not interfere with the rights of others or disrupt the education process.

Assemblies

Unless otherwise announced, students report to their regularly scheduled class before being excused to attend an assembly. After allowing adequate time for roll call and making necessary announcements, students will be dismissed for the assembly by intercom. Students are expected to attend assemblies when dismissed from class unless a different assignment is given a student by the school administration. A student will be considered truant and disciplinary action will be taken if he/she does not attend an assembly. Students should enter the assembly area quietly, be seated and behave in a mannerly fashion. Appreciation should be shown with applause. No food or drinks are allowed in the assembly area.

Arts and Activity Groups Procedure

The HSA philosophy concerning performing arts in education is that the total learning experience involves practice, performance, and evaluation. A student is expected to be evaluated on both practices and performance. Students and parents should be aware of possible conflicts with other activities, both within and out of the school system. The following guidelines of student responsibility to performing arts and activity groups are outlined:

Performing groups have responsibilities in and away from the school, during and after regular school hours, and student members of such groups must adhere to all organizational rules and policies.

Students are expected to attend rehearsals and performances of the school organization of which they are a member. Participation and service in the performing group outside of the classroom will be a determining factor of the grade. Any student who is absent from a

scheduled required rehearsal or performance may have his/her semester grade lowered one letter grade because of unexcused absence per performance.

The following conditions constitute reasons for an excused absence for a required rehearsal or performance:

1. Out-of-town trip with family provided prior approval obtained from activity director, and five-day prior notice is given to the school in writing.
2. Family emergency.
3. Illness (Director should be notified prior to required rehearsal or performance).
4. Any conflicts of school activities which have been previously resolved with director and principal.

The principal will determine whether or not an activity is a required rehearsal or performance.

The initial responsibility for a review of the policy is that of the student. If an acceptable solution is not reached during a meeting of the student and the activity director, the building principal will be informed of the need to review the request.

The principal will meet with the concerned student and the activity director (instructor) to obtain needed information. A decision by the principal concerning resolution of disagreement will be provided all interested parties.

40. PROTECTIVE ORDERS/RESTRAINING ORDERS

It is the responsibility of the parent/guardian to notify the school in writing of any special court orders or directives in regard to student safety or sign-out procedures. The school will not be responsible for violations, if copies of court orders are not on file.

41. EMERGENCY PROCEDURES

Fire, lock-down, evacuation, and tornado drill instructions will be discussed in each class during the first week of the semester. Students need to understand and follow these instructions. This is a life and death matter. The instructions will be posted on the bulletin board in each teacher's room and students should be familiar with the assigned drill areas.

In the event of a lock-down, it will be announced as prescribed by the Principal.

The evacuation procedures will be covered with students by their teachers and announced by staff as prescribed by the Principal. As a backup Fire and Tornado Alert system, hand-held air horns may be used. Each building will have a teacher assigned to use the air horn to alert the students.

42. STUDENT CONDUCT CONTRACT

Because all of you have elected to apply to Harmony Science Academy, we anticipate that all students will not only accept their rights as members of our school community, but also their responsibilities to other members of that community. We ask each of you to carefully read over and sign the student contract on this page and, as the school year unfolds, do your best to behave in ways that will enhance your own and others' ability to learn.

Copies will also be available in the front office. It is assumed that any student attending Harmony and their parents have read, understood, and agreed with the content of the student handbook.

HSA reserves the rights to delete, add and amend any changes to this handbook. Any changes to this handbook will be posted on school web page and parents will also be notified via Wednesday mail.

Options and Requirements For Providing Assistance to Students Who Have Learning Difficulties or Who Need or May Need Special Education

If a child is experiencing learning difficulties, the parent may contact the person listed below to learn about the district's overall general education referral or screening system for support services. This system links students to a variety of support options, including referral for a special education evaluation. Students having difficulty in the regular classroom should be considered for tutorial, compensatory, and other academic or behavior support services that are available to all students.

At any time, a parent is entitled to request an evaluation for special education services. Within a reasonable amount of time, the district must decide if the evaluation is needed. If evaluation is needed, the parent will be notified and asked to provide informed written consent for the evaluation. The district must complete the evaluation and the report within 60 calendar days of the date the district receives the written consent. The district must give a copy of the report to the parent.

If the district determines that the evaluation is not needed, the district will provide the parent with a written notice that explains why the child will not be evaluated. This written notice will include a statement that informs the parent of their rights if they disagree with the district. Additionally, the notice must inform the parent how to obtain a copy of the *Notice of Procedural Safeguards - Rights of Parents of Students with Disabilities*.

The designated person to contact regarding options for a child experiencing learning difficulties or a referral for evaluation for special education is:

Contact Person: Erdal Caglar, Principal
Phone Number: 512-251-5000
